

GREETINGS

I'm very excited to introduce a rather unique style of Ministry School. It is our Servanthood Training Institute.

This School of Ministry is designed to equip and empower every Believer to function in any area of ministry with accuracy, excellence and precision. This is accomplished by developing the very heart of our Savior and Lord Jesus Christ, the Heart of a Servant.

“For the Son of man did not come to be served, but to serve, and to give His life as a ransom for many.” Matthew 20:28

Developing a heart to serve causes church growth, membership stability, productivity, and effectiveness in ministry. It also eliminates burnout, and is the impetus for faithfulness and endurance. Faithfulness and endurance positions us to receive our full inheritance

This Training Institute is an excellent tool for Pastors, associate ministers, deacons, ministry leaders, teachers, and lay persons.

This is more than just information ...it is an impartation!
